

COMPANY PROFILE

Good things. From Indonesia. To your market.

Indonesian FMCG, sourced directly from brand owners and official distributors.

Local knowledge. Personal commitment.

An Indonesian sourcing partner, with your business requirements at the centre.

CV. Theobromindo Cipta Karya is an Indonesian trading company based in Semarang, Central Java. We specialise in FMCG and local products, connecting overseas buyers with goods manufactured and marketed in Indonesia.

We coordinate sourcing, quality checks, regulatory support, documentation and shipping through one point of contact. Our aim is competitive pricing, attentive service and clear communication from your first enquiry onward.

WHAT WE DO

From source to shipment.

Practical support, coordinated around your product, destination and shipment.

Product sourcing

01

Find suitable brands, products, pack sizes and quantities, including ranges beyond our list.

Quality checking

02

Checks through sourcing and shipment preparation; laboratory testing arranged as needed.

Regulatory support

03

Help with destination labelling, testing and compliance, including product stickering.

Export documentation

04

Coordinate the paperwork required for your product, shipment and destination.

Shipping coordination

05

Combine suppliers in one shipment. Arrange full-container (FCL), part-container (LCL) or air freight.

BEYOND THE LIST

Made and marketed in Indonesia? Ask us to source it.

Send the product, pack size, quantity and destination. We confirm availability, shelf life, export requirements, costs and terms in your quote.

A USEFUL FIRST ENQUIRY

Tell us what you are looking for, and where it needs to go.

Send the product or brand, pack size, approximate quantity and destination. We will discuss suitable sourcing and shipping options with you.
